

Stepping Stones

Open College Network

Curriculum Offer

Overview

Stepping Stones provides an adapted national curriculum which is personalised and individualised leading to nationally accredited and recognised qualifications. All qualifications are accredited through the Open College Network framework. Young people have the opportunity to study for individual units, Award or Certificate qualifications. Core subjects (shown in blue) will compliment their personalised choice of subjects. This list of personalised subjects are not exhaustive and can be adapted/sought for each young person dependent on area of interest and need. Qualifications offer range from P Levels, Entry 1 – Level 2 (equivalent to GCSE). Added Value subjects are offered to enhance learning opportunities and embed holistic learning

OVERVIEW

Maths	English	Science	PHSE	Living Independently	Practical/Vocational Studies	Art/Design/Crafts	Music	Animal Care	Enrichment
Time	Speaking & Listening Skills and Presentation Skills	Science and the Human Body	Understanding Relationships	Living safely in the home	Carry out a practical activity	Develop Mask Making	Explore Music	Principles of the movement and handling of small animals	Blue Cross Animal Rescue
Money	Reading for meaning	The Science of Light and Sound	E-Safety	Following Instructions	Soil Care	Craft & Design Project	Movement	Variation and Adaptations in the environment	Jump In Trampolining
Weight and Capacity	Writing for meaning	Science and the Plant world	Healthy Living	Create a simple meal	Ground Preparation for planting and showing	Every day clothing	Dance	Principles of the care of animals	Narrow boating
Length	Spelling Skills	Variation and Adaptations in the environment	Building Confidence and Self Esteem	Eating Out	Garden Horticulture	Cave Painting	Yoga	Assist with care of animals	Floristry
Fractions	Creative Writing	Habitat Management	Follow instructions	Cooking	Cooking	Textile Craft	Relaxation Class	Zoo Visits	Lucky Tails Alpaca Farm
Multiplication	Punctuation and Grammar	Observing birds	Safeguarding	Kitchen Hygiene	Kitchen Hygiene	Making a Product	Singing Lessons	Animal Handling	Book Barn
Subtraction	Reading	Countryside Management	Prevent	Carry out practical activity	Habitat Management	Using craft skills with natural materials	Keyboard	Habitat Management	Music Workshops
Measure	Receiving and responding to information	Open University Science qualification	Personal Hygiene	Textile Craft	Countryside Management	Exploring Art	Lyric Writing	Animal Husbandry	Bike Building
Measuring Distance and Length	Writing	First Aid qualification	Guest Speakers	Equality & Diversity	Ground Preparation for planting and sowing	Graphic Design	Performing Arts Rapping	Microscopic Investigations	Garden Centres
Addition	Proof Reading	Microscope Investigation	Anger Management	Health and Safety	Garden Horticulture	Research Techniques in Visual Art	Cultural Drums	Animal Enrichment	Hillz FM
Rounding	Using a Dictionary	Science Experiments	Dealing with Stress	Travel training	Carpentry	Mosaic	Instruments	Animal Emergencies	Hoar Park Farm
Area	Adjectives	Wildlife watch	Assertiveness	Budgeting	Bulb Planting and hanging Baskets	Mod Roc Craft	Beatbox	Animal Welfare	Fund raising
